

General Grand Chapter Order of the Eastern Star
Dream, Image, and Believe Triennial Session 2024-2027
Tri Line Officers 2024
September 4, 2024

Sisters and Brothers,

As we discussed at the Orientation in Louisville this past June, the Tri Line Officers for this triennial will be working on a special project to support Alzheimer's research. We are asking each group of Tri Line Officers (those serving your jurisdiction during the upcoming Triennium) to purchase 10 wildflower pins at a cost of \$20.00 each, totaling \$200.00 per Tri Line group. These pins will be available for pick-up at the Tri Line Breakfast in Myrtle Beach – the “Believe in the Power of the Pumpkin Patch” on October 27, 2024, at 7:30 AM.

The profits from the sale of these pins will be donated to the Cleveland Clinic Lou Ruvo Center for Brain Health in Las Vegas, Nevada. We encourage you to visit their website ([Cleveland Clinic Lou Ruvo Center for Brain Health - Las Vegas | Cleveland Clinic](https://www.clevelandclinic.org/brain-health)) and explore the valuable information they provide. Alzheimer's is one of two special projects for the Triennium, and we believe that each of our members knows someone who has been affected by this disease and understands the pain it can cause.

Linda Hattrick, Personal Secretary to the MWGM, is in charge of this project. She will be at a table at the breakfast handing out the pins. If you wish to purchase more than your allotted 10 pins, please contact her directly at rabbit3@msmforless.com so she can handle your order. Please ensure that someone from your Tri Line group makes arrangements to pick up the pins from Linda. All of the General Grand Chapter Officers are supporting this project by wearing the pins on their dresses or jackets.

Please make all checks payable to the Arizona Grand Chapter, as the funds will be presented to the Cleveland Clinic at the “Dream, Imagine, and Believe” Triennial Assembly in 2027 by the Tri Line Officers who attend. We will keep everyone updated on the total amount raised for this important project.

Thank you for your support of this initiative and for your continued assistance. We are looking forward to the Installation in October and seeing you in South Carolina.

In Star Friendship,

Billie Bradfield, Right Worthy Associate Grand Matron
Mike Berry, Right Worthy Associate Grand Patron
